

After the Core: Buy a Story, Then a Library

A product-noun decoder and first-campaign route for Chapter One owners who want complete boxes instead of an accidental scavenger hunt.

Read the noun before the title

BOX SAYS	WHAT IS INSIDE	BUY WHEN
Campaign Expansion	A complete modern campaign; no player-card library	You want the story
Investigator Expansion	Investigators and player cards; no campaign	You want deckbuilding breadth
Scenario Pack	One standalone adventure	You want one excellent night
Starter Deck	One ready investigator plus upgrades	A player wants an immediate seat

The clean first shelf

1. Keep your Revised Core

It remains a complete Chapter One foundation and supports one to four players.
2. Choose one complete Campaign Expansion

Dunwich is the gentlest systems teacher; Carcosa is the stronger theatrical mystery.
3. Add one Investigator Expansion

Dunwich offers foundational staples; Edge of the Earth spreads utility through multi-class cards.
4. Add a standalone later

Excelsior works best when your decks already have a campaign's experience.

Listing sanity check

- ☐

The product noun matches your goal — Campaign and Investigator boxes with the same subtitle are not duplicates.
- ☐

The image shows a current complete box — An old Deluxe Expansion starts a discontinued six-pack release model.
- ☐

The ASIN matches the named product — Use the exact Puzzlewick button; do not trust marketplace title soup.
- ☐

You own a compatible Core — Expansions are not standalone games.
