Core after July 17, 2026

- ☐ **Sets 9-13** — Fabled through Attack of the Vine! form the current Core window.
- ☐ **Recheck before an event** — The official app and organizer are the live authority.
- ☐ **Keep older cards** — Infinity is the wider home for cards that rotate from Core.

Low-waste first three games

1. **Game 1: learn turn flow**

Use the stock decks and narrate each phase.
2. **Game 2: name the deck plan**

Identify the cards that advance that plan.
3. **Game 3: record one repeated problem**

Upgrade only that problem with targeted singles.
4. **Add storage after use**

Choose licensed sleeves, a fitted deck box, and a portfolio for cards you actually handle.

Event bag

- ☐ **One legal deck** — Plus lore tracker and damage counters.
- ☐ **Opaque matching sleeves** — Carry identical unused replacements.
- ☐ **Current deck list** — Ask which format the event runs before pairings.
